

Partner institutions in Australia

Successful completion of a programme allows you to apply to any Australian university with guaranteed acceptance at one of our partner institutions.

Partner institutions

We have been helping students progress to university in Australia for more than 15 years and have developed long standing relationships with a number of prestigious institutions. These partners have placed their trust in our preparation programmes and are happy to give EF Brittin College students either guaranteed admission or preferred consideration.

Apply to any school in Australia

EF Brittin College's academic programmes prepare you for entrance to virtually any Bachelors or postgraduate degree programme in Australia. While you are guaranteed entrance to one of our partner institutions, your choice is not limited to them. Your University Placement Adviser will assist you with applications to any institution in Australia.

Which programme is for you?

EF University Foundation Year can qualify you for most undergraduate degree programmes in Australia – and guarantee your admission to at least one of the 20 partner institutions (see below). If you are looking to pursue a Masters degree or MBA, take our Pre-Masters/Pre-MBA Programme which enables you to apply to any graduate school, or enjoy guaranteed admission to an EF partner institution. Some partner universities accept successful EF Brittin College graduates without IELTS/TOEFL scores.

The University of Western Sydney (UWS) has been working with EF for over four years and we are delighted to welcome students from all over the EF worldwide network every year. EF services are of high standard, providing students with quality programs to succeed in further study. We look forward to continuing our partnership with EF in providing tertiary study opportunities for students aspiring to study in Sydney, Australia.

Kent Goldworthy, Deputy Director, University of Western Sydney
